

NJ Global Opportunities Fund - Class A1

INVESTMENT OBJECTIVE:

The primary objective of the Fund is to achieve long term capital appreciation and provide long term growth opportunities by investments in a diversified portfolio including but not limited to equity, debt, units of mutual funds, ETFs and derivative securities based in India.

NJ Global Opportunities Fund - Class A1

INVESTMENT STRATEGY:

"The fund endeavours to generate superior risk adjusted and shall achieve this by investing in a basket of Balanced Advantage Funds selected on the basis of pre-defined set of rules.

The fund presents an opportunity to investors in two parts :

1) Asset Allocation

Investment into Balanced advantage funds presents an asset allocation strategy efficiently i.e. when the market risk is high the asset allocation towards equity shall be low and vice-versa.

2) Fund Selection

Since the Fund has invested into three Balanced advantage funds, it brings to the investors equity selection and asset allocation of three different styles through three different fund managers."
